[1] La evaluación del cumplimiento de las metas del REI 2019 incluyó la identificación de posibles reducciones del monto devengado al cierre del año 2019, comparando los reportes del SIAF al 31 de diciembre de 2019 y al 31 de enero de 2020. En los casos dónde se evidenció la reducción antes señalada, el indicador de ejecución de inversiones fue calculado con el menor monto registrado, en cumplimiento de lo establecido en el Anexo de la Resolución Directoral N° 033-2019-EF/50.01.
